III. FACTS (E)

- On June 16th/2020 TORRANCE LEON WILLIAMS JR, also known as natural indigenous Moor American National person ^{my} Daniel Hananiah Mishael Azariah Ali El and Daniel Hananiah Ali El in short form was illegally arrested by The MUSKELON POLICE DEPARTMENT without a warrant or any probable cause upon his girlfriend at the time DAPHNE DENISE SPANN DENNIE making one of her many false police reports against TORRANCE LEON WILLIAMS JR a.k.a. ~~person~~ natural person indigenous Moor American National Daniel Hananiah Mishael Azariah Ali El and Daniel Hananiah Ali El in short form, ~~on behalf to~~ on behalf to THE COUNTY OF MUSKELON Prosecutors office, COUNTY OF MUSKELON 60th District, ~~and~~ ^{and} COUNTY OF MUSKELON 14th CIRCUIT COURTS Judges Maria Leaders Hoopes, Judge Harold F. Closs III, Judge Paulon Baker Mathes, Judge Raymond J. Kastrzewa Jr, ~~and~~ Judge William C. Moratti, and Judge Anne He Rose Smedely in conjunction with STATE OF MICHIGAN Governor Gretchen Whitmer, E. PLURIBUS UNUM THE UNITED STATES OF AMERICA foreign European corporation president Joseph R. Biden, and his vice president Kamala Harris to ^{attempt to} help Joseph R. Biden, Kamala Harris, a Governor Gretchen Whitmer, and The Biden administration suppress the fact from The UNITED STATES INTERNAL REVENUE SERVICE that they laundered, and embezzled money from THE UNITED STATES FEDERAL RESERVE SYSTEM ~~and~~ fraudulently using ^{my} Daniel Hananiah Mishael Azariah Ali El (natural person) irrevocable trust NEW AMEXEM ACCOUNTING MARKETING & INVESTING in conjunction with his/my dad's original public estate name TORRANCE LEON WILLIAMS to fund ~~and~~ Joseph R. Biden's 2020 Presidential Campaign with filing a fraudulent 1041 Tax return with the IRS for 2019 along with his

- Governor Gretchen Whitmer along with Kaamala Harris and Joseph R. Biden using The County of Muskegon's prosecutors Robert F. Hedges, Dale J. Wilson, Matthew Roberts, Timothy Maat, Charles^{Thomas} Koop II, and Katherine Helen Norton; used Toney Penaltan who was Daphne Spann's actual boyfriend in whom I was unaware^{of} his and Daphne's relations until I was making arrangements to move out of the house with Daphne Spann, to with the assistance of Daphne Spann ~~applied~~^{applied} for a fraudulent Charters drivers license at The Michigan Secretary of State using my dad's original public estate's name TORRANCE LEON WILLIAMS in conjunction with my public estate's Corporation TORRANCE LEON WILLIAMS JR Social Security number, and had Toney Penaltan transfer it to California where they had relocated him to; during the time that it was set up for me to be involved with Daphne Spann while ~~Toney~~ and Daphne ~~aided~~^{aided} The COUNTY OF MUSKELTON, Governor Gretchen Whitmer, Kaamala Harris and Joseph R. Biden with stealing my public estate's and indigenous natural persons identities! They had Toney Penaltan of Muskegon Heights, Michigan also apply for a California Voter Registration Card ~~when he~~^{when he} transferred the fraudulent Charters Michigan drivers license to California, and had him vote for Joseph R. Biden in the 2020 presidential election for the UNITED STATES OF AMERICA's foreign European corporation in a attempt to add my public estate TORRANCE LEON WILLIAMS JR Federal Reserve account to a European white democracy so that way he could control it, and steal The UNITED STATES STOCK EXCHANGE MARKET in which sold off to my Public estate Corporation TORRANCE LEON WILLIAMS JR! This is the reason the ~~Dem~~ Democratic political Party pressured The United States Post master general to allow mail in voting in 2020! Now, upon information and belief, my public estate's identity TORRANCE LEON WILLIAMS JR; ~~along with~~^{along with} it's Social Security number was not the only public estate Democrats cross matched with another public estate's identity, and also many other Democrats I am unfamiliar with around the United States helped with cross matching public estate identities!

- During the time I was in alleged protective custody at Hackley Hospital in May 2020 is when Daphne Spann took Toney Penaltan to The Michigan Secretary of State to apply for the fraudulent chauffeur's Drivers license! I was taken into alleged protective custody by The Muskegon Police Department after I made one of several police reports to The Muskegon Police Department informing them about Daphne Spann literally attempting to stab and kill me; along with the false police reports she was making; as she was being coached by Judge Maria Laadas Hoopes with The County of Muskegon 60th District Court directly working alongside Governor Gretchen Whitmer who was and has been working with UNITED STATES OF AMERICA'S foreign European Corporation's current President Joseph R. Biden, and his Vice president Kamala Harris conspiring against me; as they tried to make me out to be a political opponent!

- Daphne Spann informed me on several occasions when she would get drunk, and times when her conscious would condemn her that she was meeting with Judge Maria Laadas Hoopes, and her daughter; in which I cannot remember her name in Twin Lake Michigan when she would leave her mom, and I at the apartment we lived at in Glen Oaks in Muskegon, Michigan with her son, so that way she could go out with her friends! During these times when Daphne Spann was meeting with Judge Maria Laadas Hoopes and her daughter on weekends probably about twice a month during the times Daphne and I were allegedly boyfriend and girlfriend would be the times Judge Maria Laadas Hoopes with Governor Gretchen Whitmer's teamwork from a distance would be coaching Daphne Spann on how to create a domestic violence crime against me without my participation, or negative reaction to be enticed into committing a crime against her which never occurred! Daphne Spann apologized to me during sex on one occasion for her moral misdeeds against me; as she would always compliment me for being the best man she had ever been involved with! Nevertheless, upon information from The United States Secret Service who has been present at The Muskegon County Jail I was later indirectly informed after I was kidnapped by The Muskegon Police Department that Daphne Spann prior to physically meeting me entered into a deal with County of Muskegon Court ~~clerk~~ officials to conspire against me with the motive to help them ~~steal~~ feloniously steal jurisdiction to

my public estate Corporation TORRANCE LEON WILLIAMS JR in which is protected within my irrevocable trust New Amexem Accounting Marketing & Investing and is on file with the Michigan Department of State Uniform Commercial Code Division; along with my Uniform Commercial Code Financing Statement; in which now needs to be amended accompanied with my Michigan business licensing for my public estate ~~and~~ Corporation TORRANCE LEON WILLIAMS JR, it's By Laws and Security agreement, and my irrevocable trust New Amexem Accounting Marketing & Investing; in which have all been furnished with full faith and credit in all courts of justice and elsewhere! I provided The Western District of Michigan District Court located at 399 Federal Building, 110 Michigan ST. NW, Grand Rapids, Michigan with a copy of this information ~~in~~ with a previous case I filed in that ~~United~~ United States District Court with the case number being 1:19-cv-1030.

- Now, prior to me meeting Daphne Spann in 2019 Governor Gretchen Whitmer without my direct knowledge at the time made a deal with my ex-wife Joynertha Sheron Grover to buy out her public estate Corporation, and with the plotting with Joynertha had her attempt to set me up to be killed as Joynertha's sacrificial offering with their deal, so that way they could commit insurance fraud with The United States Federal Reserve System to dissolve the assets including stocks and shares with my public estate Corporation TORRANCE LEON WILLIAMS JR to fund Joseph R. Biden's 2020 presidential campaign! During this time Governor Gretchen Whitmer was stated to be Joseph R. Biden's ~~pre~~ presidential campaign running mate until I revealed the details I am revealing in this Complaint with ~~the~~ The County of Muskegon 100th District Court on the record in writing, and partially verbatim with case number 20210324Fy, The Michigan Department of Treasury, and The United States Internal Revenue Service Headquarters! Anyhow, after Joynertha abandoned me in Lansing, Michigan she and Governor Gretchen Whitmer attempted to have me set up to be killed by acquaintances Joynertha had in which I was unfamiliar with, but aware of after Governor Gretchen Whitmer, Kaamela Harris, and Joseph R. Biden along with many other Democrats were using military technology to listen to my phone calls, and each stole part of my business plan and each made it part of their 2020 presidential campaign's when Democrats had a army full of Democrats running for the Democratic nomination to run against former United States of America's president Donald John Trump in the 2020 general election.

Also, during this time, when my ex-wife Joynta Shonta Grover abandoned me in Lansing, MI. Kamala Harris sent several informants to meet with me and get to know me! One of the informants Kamala Harris sent my way informed me that her name was Kamala when indeed it wasn't as I later learned who Kamala Harris really is! Nevertheless, wanted to use me to run for office to be the president of The United States of America's foreign European Corporation against president Donald John Trump, ~~after they were~~ unsuccessful with having him impeached in both the ~~the~~ United States House of Representatives, and The United States Senate! When Joseph R. Biden, Governor Gretchen Whitmer, and Kamala Harris learned through the informants they sent my way that I do not, never will I ever have any intentions to become The United States Foreign European Corporations president is when they attempted to slickly have me killed in Lansing, Michigan via staging shootings directly ~~around~~ around me, deliberate vehicle accidents where I was almost hit several times in addition to with sabotaging the vehicle my ex-wife Joynta Shonta Grover and I had ~~by~~ by continuously loosening the lug nuts off of our vehicle! ~~to~~ To send me a message to tell me that she was out for me Governor Gretchen Whitmer had a acquaintance of mine I would give a ride to work ~~that~~ shot and killed directly next to Joynta's and I vehicle at the time in the back parking lot of Joynta's mom Latanya Grover's apartment complex located at 3200 S. Washington Ave. Lansing, MI. I informed pastor Nathaniel Thomas and his wife who pastors Mind Body & Soul church in Lansing, Michigan about many of these incidents! He furnished me money so that way I could get out of Lansing, Michigan, and ~~the~~ United States military personnel helped make sure I was able to escape from Lansing undetected! The main person I ~~was~~ was in direct contact with inside The United States Military was ~~the~~ United States Air Force personnel Keaira Bankhead! Prior to me reaching Lansing, Michigan when I escaped from being killed in Wisconsin I was in contact with her some then as well as United States Air Force Personnel Ojeh Armstrong Ohiembor, and United States flight attendant Patricia Elizabeth Jarvis. ~~the~~ State of Wisconsin court officials Judge Kent Hoffman, ^{Judge} Rebecca Persick, and Prosecuting attorney Samantha Basil along with The Eastern District of Wisconsin court officials attempted to have me hunted and killed by both the City of Sheboygan police Department, and City of Wausau Police Department after I opened a court case against the 72nd District Court, and the City of Sheboygan police department for stealing my 1991 Chevy Camaro out of my backyard when I resided there, and for tickets I should have not received; in addition to a child support case I disputed.

- Former United States attorney general William Barr conducted an illegal investigation on me once I opened the Federal court cases in Wisconsin, and attempted to set me up with different encounters with both the Sheboygan and Wausau police Departments to be killed by having laced marijuana furnished to me from my ex-wife Joyetta Shonta Grover; in which caused me to go in and out of my mind causing me to act abnormally, and having the police called on me where on one occasion a ~~un~~ unidentified Sheboygan police officer pulled out ~~my~~ his actual gun on me at a park in Sheboygan Wisconsin, but for some reason let me walk free! Former United States attorney general William Barr, also tried to ~~apprehend~~ feloniously apprehend me by furnishing my ex-wife Joyetta Shonta Grover ^{sister} ~~Torrence~~ Jazmine Genske's ~~sister~~ boyfriend/child's father Nicholas James Bifano with drugs, so that way they could have their apartment raided hoping to catch me in the raid as he and Wisconsin court officials were attempting to feloniously steal jurisdiction to my public estate's Corporation TORRANCE LEON WILLIAMS JR right before I obtained the licensing for it, but I had begun operating my business New Amerex Accounting Marketing & Investing in which was known as Amerex Underground at that time! All of this controversy began because I challenged the jurisdiction of The County of Sheboygan 72nd District Court with the false claims they attempted to bring against my estate.

- Prior to the raiding of my ex-wife's sister's home in which I did not reside at Joyetta was in contact with a unknown source to me, but as I realized we were escorted out of Sheboygan Wisconsin north into Wausau Wisconsin by United States Federal Government personnel! About a week later I believe it was my ex-wife Joyetta furnished me some marijuana before she went to go dance at Grand Daddy's Gentlemen Club that was again laced; in which upon information and belief I believe was laced with the drug LSD. I tried to beg her for help as I was going in and out my mind again this time at The Plaza Hotel in Wisconsin! From there Joyetta took me directly into a unknown neighborhood where she made me get out of the car and she called the ^{Wausau} police on me, and I was tased 3 times in a row when I couldn't control my body! Another officer attempted to pull his gun as I witnessed until I hit the ground the third time! I was then taken to Aspirus hospital where I was surrounded by a room full of doctors who already seemed to know who I was! However, I blanked out for literally three days where I was unconscious and woke up without my memory; in which I am still struggling with to this present day! These incidents occurred between the months of April 2018 and June 2018.

- Now, moving forward again, to the occurrences I informed you about in Lansing, Michigan with Governor Gretchen Whitmer, now United States of America's foreign European Corporation Vice president Kamala Harris, and current president Joseph R. Biden were using military technology to listen to my cell phone calls; as well as view my cell phone's screen in real time when I would be active on my phone; by them doing this, ~~that~~ they took noticed that I was pursuing Daphne Spann once they had my ex wife Joyetta Shonta Grover abandon me while I was still in Lansing, Michigan and they were being unsuccessful with having me killed after Governor Gretchen Whitmer had me set up at Bank of America on Pennsylvania Ave, and had a \$5 million dollar check I had earned with The United States Internal Revenue Service Stolen from me by officer Lance Leiter with The Lansing Police Department on a discrimination call against me to have me put out the financial institution after the check was verified that it was a real check; due to the color of my skin and the face value amount being \$5 million dollars on the check. During the course of these events as I later learned through time and piecing pieces to the puzzle together ^{with conversations} ~~Daphne Spann and I had~~ Daphne Spann and I had. I later found out that Daphne Spann was being used as a informat, and a set up chick with Toney Penaltton who ~~The~~ County of Muskegon court officials collectively with Governor Gretchen Whitmer, ~~the~~ now United States of America's vice president Kamala Harris and ~~the~~ president Joseph R. Biden had moved to California when they observed that I was interested in ~~being~~ having Daphne Spann as my new significant other. From there, Governor Gretchen Whitmer contacted Judge Maria Ladaas Hoopes who consummated a deal sexually with my dad Torrance Leon Williams Sr, to attempt to use him to persuade me into relinquishing jurisdiction with my public estate corporation ~~and~~ TORRANCE LEON WILLIAMS JR, and irrevocable trust New Amexem Accounting Marketing & Investing LLC. Meanwhile, Judge Maria Ladaas Hoopes with The County of Muskegon 60th District Court, and County of Muskegon prosecutors; ^{in addition} ~~and~~ to The Muskegon Police Department as I first hand witnessed when Daphne Spann began acting of her normal character with me as I made progress to move out of the house with her were all coaching Daphne Spann on how to set me up for The Muskegon Police Department to Kidnapp me into the Muskegon County Jail where I am now! Governor Gretchen Whitmer and County of Muskegon court officials also used my adopted brother Michael Antonio Williams to attempt to steal my public estate's identity when I had my public estate's social security card mailed to his address in which he stole on their behalf.

- My adopted brother Michael Antonio Williams prior to him stealing my public estate's Social Security card informed me that he was in trouble with The County of Muskegon's Friend of The Court, and informed me ~~after~~ ^{while} we had a conversation about me now having my own business that he needed help paying child support to his ex-wife Tetchianna Clay. I informed him about privatizing his public estate, so that way he could take care of his children without The County of Muskegon IV-D agency being in his pockets and his personal business. I ended up cutting the conversation short when he made me uncomfortable as I felt he was insinuating that he wanted my business for himself when we ended up touching on the subject about my tax returns per he as well as my dad Torrance Leon Williams Sr randomly made reference to my tax returns out the blue. I did however, tell my mom Terees Lynn Williams and my dad Torrance Leon Williams Sr about the \$5 million dollar check ~~earned~~ ^{I'd earned} with The United States Internal Revenue Service along with showing them the tax transcripts and a copy of the check someone at Chase Bank on Pennsylvania Avenue ^{in Lansing, MI} photocopied when I attempted to deposit it there in 2019.

- Now, prior to me moving in with Daphne Spann I resided in Grand Rapids, Michigan with my Cousins Deandre Edris McQuillar and Ebone Janae Simmons who I later learned ~~was~~ are my cousins who are in an incestry relationship. Anyhow, I also resided at Mel Trotter mens Shelter when we had a fallout when I informed Deandre that Ebone was entertaining other men behind his back, and bragging to me about it; in addition to pressing up on me. During that time in which was about September 2019 as I recall, I was conversating with Daphne Spann on the phone, and I learned from Daphne Spann that she was enrolled in Nuvo School of Cosmetology in Muskegon Michigan, and was classmates with my adopted brother ex-wife Tetchianna Clay. I asked Daphne if she could ~~re~~ retrieve my public estate's Social Security card by asking Tetchianna to give it to her as Tetchianna was still going back and forth to pick her mail up from the house with Michael. Daphne informed me that Tetchianna told her that she never witnessed my public estate's Social Security card in the mail when she would pick up her mail, so I acquired another one, and had it mailed to a UPS ~~mail~~ ^{mail} box I later rented in Grand Rapids, Michigan.

Nevertheless, during the time I resided at Glen Oaks apartments with Daphne Spann in Muskegon, Michigan I had gotten back in contact with U.S. Air Force military personnel Ojeh Armstrong Ohiembar in whom I later discovered was ~~being~~ being used to spy on me for both former United States of America's president Donald John Trump, and also being used by Governor Gretchen Whitmer playing both sides of the fence for Republicans and Democrats as they all attempted to label me a political threat as upon information and belief ~~that~~ at this point that the whole United States were listening to my phone calls via The United States military! During this time, before Ojeh had come clean with me with who he really was I had taken Ojeh back on as a client, this is after all how we had gotten acquainted in the first place in Wisconsin when I first started my business and advertised it on youtube! With my skills I made a \$2,500,000 investment with The United States Internal Revenue Service on his behalf along with a \$2,500,000 investment to The Georgia State Treasury, while paying off bills he had including donating \$9,999,999 to his child support trust established for his child's mom in Dayton, Ohio, as I was also helping him get that case closed.

While Ojeh and I were waiting to receive our 2019 tax refunds, and I was going to help him start a drive through car wash with the investment earnings I helped him acquire. I allowed him to convince me to meet up with him in Atlanta Georgia. I thought it was a great idea because I didn't want to be in Muskegon when my tax refunds were deposited due to the fact that Daphne Spann was running her mouth like a steam locomotive to everyone about how I was helping her advance her business, and the \$150,000,000 in total I generated on her behalf I made for her in investments with The United States Internal Revenue Service, I had felt very unsafe! When I informed Daphne about Ojeh, and I plans, in which she seemed to already be aware of as she was excited and didn't question me on anything, she packed up the house and gave things away to her friend Jordan as if we were moving, but she retained tenancy of the apartment. I later learned that Daphne Spann had a connection to Ojeh Armstrong Ohiembar as he, as I later learned via Governor Gretchen Whitmer's Corona Virus briefings was in affiliation with Governor Gretchen Whitmer who was orchestrating a plot against me with Judge Maria Laodas Hoopes, and other County of Muskegon Court officials.

- Now, Once Daphne Spann and I had made it to Atlanta Georgia, and by the way on the way there I noticed; in addition with Daphne informing me that ^{she} ~~Daphne~~ was ~~talking~~ texting numerous people unknown to myself about our locations we were passing on the highway to Atlanta Georgia. However, in Atlanta as I was smoking marijuana Daphne had furnished me I later found out was laced with cocaine I informed Daphne that I felt as if we had been followed there, and she started arguing me down about being paranoid, and I can't remember what else we argued about. We never had any physical altercation, but upon completion of the argument after we had verified our identities for personal and business accounts I had established for us at Michigan State Credit Union in Grand Rapids, Michigan. I, ~~as~~ verbally articulated to Daphne Spann that I did not want to be with her anymore and I was not taking anything from her. Daphne later on ~~a~~ left me stranded in Atlanta, but upon her leaving me stranded I witnessed the leader of The World Health Organization approach Daphne as if he were the Devil himself scolding her. Directly after that Daphne and I visited a Fifth Third Bank where I had an encounter in whom I believe was someone from The United States Internal Revenue Service where for some reason I furnished some black lady my backpack which contained my business items such as licensing, tax returns, and notebook along with my cell phone as if she was robbing me in a stick up.

- From there Daphne left me stranded in Atlanta Georgia ^{after} I ended up coming in contact with a police officer I had asked for help from due to me feeling uncomfortable with Daphne as I felt the effects of the drug laced in the marijuana Daphne furnished me. I had a half ounce 14 grams, so I was smoking on that before I noticed that part of it was laced for days. However, the police officer called an ambulance that took me away to a Well Star hospital. Daphne didn't follow the ambulance ~~with~~ with the excuse her son was hungry. When I called Daphne to come pick me up from the Well Star hospital I felt very unsafe as she told me that she was out home as if she had left from Atlanta on the highway back to Muskegon and hung up the phone.

-I then left the Well Star hospital ~~immediately~~ ^{on foot} in pursuit to hopes that I would find my way back to the hotel Daphne and I were lodged at, so that way I could ~~have~~ acquire stable help to make it back to Michigan and hope I could keep the room we had until I acquired the help. However, once I stepped out the doors of the Well Star hospital into the pitch black night, I was being haunted by the Klu Klux Klahn for about two days where they were deliberately attempting to ~~harm~~ ^{haunt} and kill me. I witnessed a Klahn member ~~not~~ get out his vehicle that he parked up the street and walk back down the street toward where I was at with a gun in his hand saying "come out you can't hide from the Klahn." I sheltered in place outside that night behind a ~~sign~~ solid sign I believe was a brick sign with ground lights on in front of it. ^{I was in a Federal} ~~The Courtroom~~ Judges Neighborhood. I realized this from the names on mailboxes I witnessed on the street curbs ^{with some} displaying the title Judge on them. Anyhow, the next early day a.m. I again began to try to find my way back to the hotel Daphne and I had stayed at. I think it was called the Country Inn. As I was searching the right direction I believed I should go. I literally witnessed O'Jeh Armstrong O'Jeh dressed in a hoodie and jeans when we walked past each other. He looked as if he was up to no good, so I didn't say anything to him, I kept walking and observed my surroundings. ~~He~~ He looked as if he thought he recognized me, but he wasn't sure. We both witnessed each other on a video call before. Once, I realized I was in Merrietta Georgia, and I needed to walk down I-75 highway to get back to Atlanta; when I turned around I witnessed O'Jeh walking in my direction with a pistol in his hand as I noticed he was trying to ease up on me with it from a distance. I, then quickly hurried around the under pass of the bridge I then crossed walking down I-75 highway. I later noticed after a while The United States Department of Defense ^{upon information and belief} was escorting me around as I was trying to find my way back to the hotel, but I later found myself in what I identified as a game of hide and seek with The U.S. Military. During that time I was stopped by police when I was in a neighborhood I was told by them I wasn't supposed to be in.

- Rapper Lil Baby has a song called The Bigger Picture where he rapped about this encounter with members with The Black Lives Matter organization, where they wore Corona virus masks acknowledging me when I was detained in the back of the police car I was put in, and I was saying I couldn't breathe. Now, both Democrats and Republicans informed me through a banner I witnessed walking down the highway that they were ^{all} in this together. Anyhow, while I was being detained, ~~it~~ it was revealed to me ~~silently~~ by the paramedics who arrived on the scene that they were ~~from~~ from Kent County and Ottawa County Michigan when they flashed their badges to me. I was informed by ~~the~~ the paramedic who was a black guy from Kent County that I needed to stay calm because I was in a serious life or death situation. I did, and they escorted me to Emory hospital where I had an encounter with The Center of Disease Control wearing hazmat suits and face shields, but prior to that during my encounter with police, one of the officers asked me in anger where did I sleep ~~there~~ the night before and I told him outside behind a sign.

- Now, when I was discharged from Emory hospital in Atlanta I was later picked up ^{upon information and belief} by another set of police officers who I identified ~~as~~ Police officers from Michigan after my encounter with the paramedics from Michigan. They all however were in Georgia Police cars. I had my second encounter with police when a lady called the police on me because I knocked on her door to use the phone. Nevertheless, these officers dropped me off in front of ~~the~~ Grady Memorial Hospital where I wasn't allowed to enter to use the phone. I again slept outside that night across the street from The Georgia State Capitol in some bushes at a monument ^{site} ~~place~~ where I witnessed the United States military looking ^{upon information and belief} for me as if they were playing hide and seek. They ~~continuously~~ road around in cars around the monument ~~site~~ ^{site} along with a helicopter in the air searching for me. The next day I had a third encounter with police where I asked for help when I left a chiropractor office. U.S. Military personnel escorted me to. I witnessed U.S. military personnel Dwight Clark there stopping in. Anyhow, the police called the paramedics where the paramedics checked me in to Grady memorial hospital where I was checked out before being admitted. ^{on} ~~of~~ Ojich Armstrong Ojibmer ex-girlfriend Tisha Johns ~~was~~ upon information and belief was one of the nurses there who comforted me.

Note: Please be aware that due to the extensive array of details, and the style of envelopes I have limited access to; due to me not always being fortunate to order commissary, and the games in which are being played by The COUNTY OF MUSKEGON Courts with Governor Gretchen Whitmer and Michigan's Attorney General Dana Nessel hosting them on behalf to U.S.A. President Joseph R. Biden, his Vice President Kamala Harris and Democrats around the nation with bets on my commissary orders with women so called looking for love; as they have been deceived into this fraudulent competition for Democrats to be able to tie a fraudulent fixture to my public estate Corporation TORRANCE LEON WILLIAMS JR and irrevocable trust New Amerem Accounting Marketing & Investing; in which I have continuously articulated in writing Via Muskegon County Jail Kites to The Muskegon County Jail Command team that I do not consent to whatsoever. Governor Gretchen Whitmer and Michigan's Attorney General Dana Nessel along with U.S.A. President Joseph R. Biden and his Vice President Kamala Harris have all recieved my input with my rejection to what they are illegally doing, in which includes attempting to sex traffic women.
